AUTUMN / WINTER 2023

90 years of durable plush

In 2023, Bon Ton Toys is celebrating 90 years of durable plush!

And what better way to celebrate than to expand our plush portfolio.

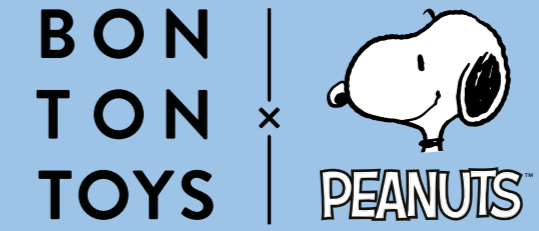

We have adopted a little beagle called Snoopy! The world-famous dog gets a well-deserved spot on the Bon Ton Toys Wall of Fame.

And as if it couldn't get any better, we also welcome his little yellow intellectual friend Woodstock. Together they are the basis of our Peanuts Collection.

Bon Ton Toys is an internationally renowned supplier of high-quality durable plush.

All plush items contain 100% recycled PET filling and are produced according to the highest standards when it comes to sustainability. All our suppliers are carefully selected and meet the "Ethical Supply Chain" (ICTI) status.

The Philosophy of Snoopy

Charles Schulz was able to provoke thought and discussion around topics covering everything from the nature of friendship to the struggles of growing up in his Peanut comic strip. This timeless quality allows the strip to remain relevant and engaging for generations of readers.

In this context we produced a classic collection of plush toys featuring beloved characters from the Peanuts comic strip.
